

PRODUCT INFORMATION

oilfino Via Ultra RN 5W-30

DESCRIPTION

oilfino Via Ultra RN 5W-30 is a high-performance, synthetic, low SAPS engine oil specially designed for the latest Renault and Dacia diesel and petrol engines. It contributes to fuel economy and is compatible with all common exhaust aftertreatment systems.

PROPERTIES

oilfino Via Ultra RN 5W-30 guarantees a long engine service life and enables long oil change intervals. With optimum oxidation protection, it protects the engine against wear and offers excellent environmental protection thanks to low oil emissions. It is also backwards compatible with older RENAULT specifications such as RN0700 and RN0710, making it a versatile choice.
